If the patterns of life
 Look obscure
 And the threads are
 Distorted and unclear,
 Remember there is One
 To whom the design
 Is simple and clear —
 Everything is a part of
 His loving plan
 And when God weaves the threads
 In His special way,
 It will be the beginning
 of a new day.

Homecoming 1979

Homecoming 1979 included many activities, with the climax of these events being the crowning of Sophomore Marcella Bullard as queen during the halftime activities of the HPC — Lenoir-Rhyne Basketball game. Approximately 3,500 people composed of parents, students, professors and alumni looked on as Jill Beam and Nancy Houlberg were named as first and second runners up respectively. The Annual Alumni Dance, which featured Vision/Trac IV and Sound Tech Disco, was held at the Village Green in Greensboro. Prior to Saturday's Game, the Homecoming Court was presented, and the winners of the banner and displays competition were announced. Alpha Gamma Delta won the banner competition and Alpha Delta Theta won the display competition. The Rowdy Crowdy award was presented to MUG at half-time.

SPORTS

SPORTS

Soccer

The HPC soccer team ended a rebuilding season with a 5-11 record. The panthers, fourth in the conference, lost their first game in the District 26 playoffs.

Since only 8 lettermen returned, first year coaches Wood Gibson (head) and Mel Mahler (assistant) had a nucleus around which they could build. This nucleus included Co-captains Todd Miller and Walter Roe, John Dourdis, Jorge Nobre, and Tony Nielubowicz. Several transfers and freshmen — including Larry Morris, Jeff Sloan, Ralph Barnes and Dave Michel added depth, but inexperience prevailed.

Junior Tony Nielubowicz led in scoring for the Panthers with 8 goals and 4 assists.

With Miller as the only graduate, there will be a stable foundation for next year's squad.

Team Members Include: Row one — John Spencer, Kevin Scoville, Jorge Nobre, Mike Bradley, Todd Miller, Steve Asbury, Mike Lertora, Mike Showalter; Row two — Jeff Koehler, Kent Spencer, Ralph Barnes, Dave Michel, Walter Roe, John Dourdis, Tony Nielubowicz, Rory Walton; Row three — Assistant Coach Mel Mahler, Jeff Sloan, Mark Chesnick, Mike Moran, Ron Franklin, Dave Eckert, Toby Tobin, Scott Tomsic, Chris Hohnhold, Paul Lesard, Larry Morris, Coach Woody Gibson.

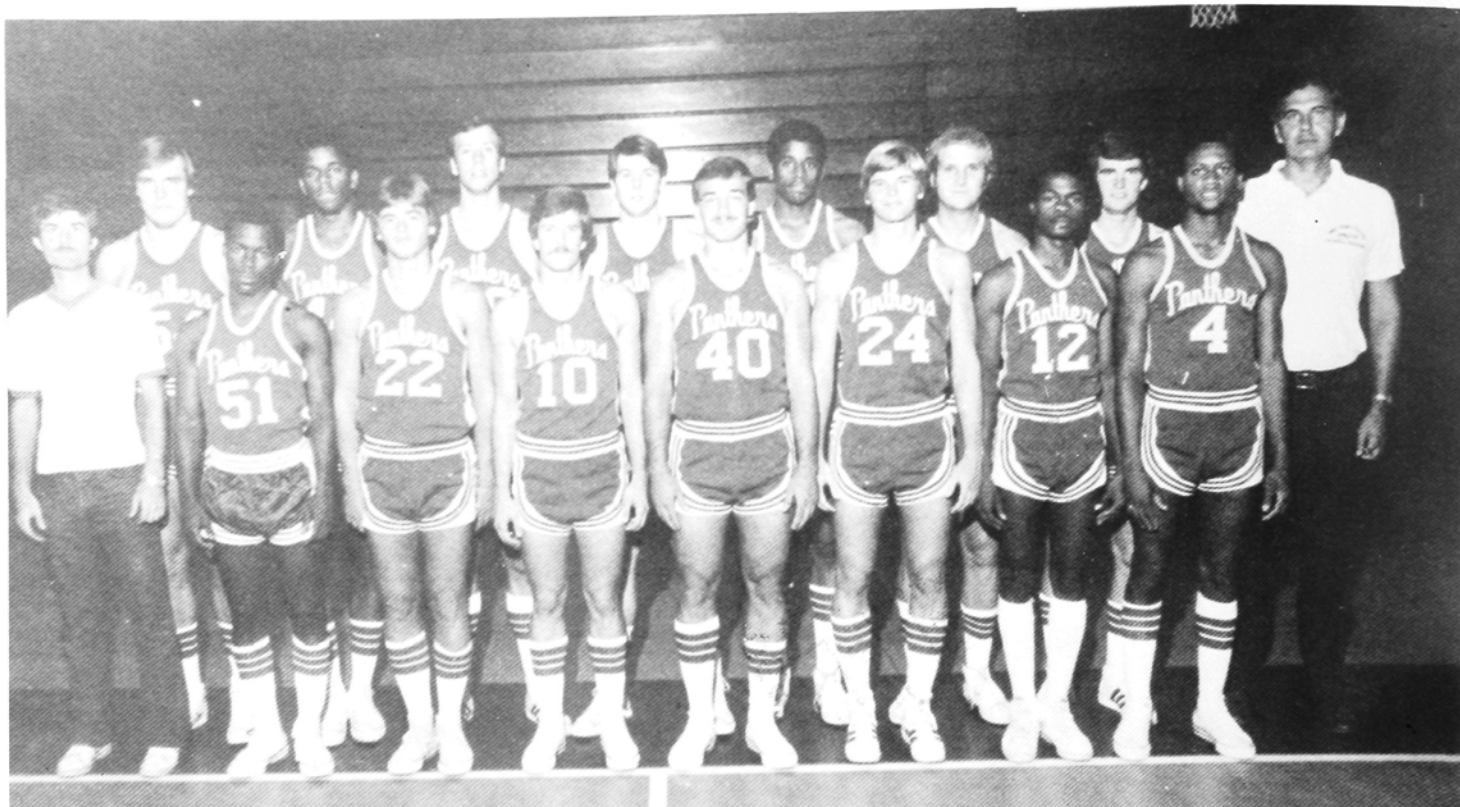

Players Include: Todd Miller, Steve Asbury, Dave Michel, John Dourdis, Tony Nielubowicz, Walter Roe, Larry Morris, Mike Moran, Paul Lessard and Chris Hohnhold.

Walter Roe, two-time All-State performer, controls the ball against N.C. State.

Goalie Todd Miller carefully watches the ball to save another score.

Mens' Basketball Team Members Include: Row one — Ricky Proctor, Warren Harding, Jay Yow, Scott Richardson, Danny Anderson, Joey Yow, Johnny McQueen, Anthony Parrish; Row two — John O'Brien, Charlie Floyd, Bob Hovey, Steve Wheless, Bruce Floyd, Steve Johnson, Bob McIver, Coach Jerry Steele.

Danny Anderson scores another two points for the Panthers.

All-American Charlie Floyd scores against Catawba.

Mens' Basketball

With all of last season's players returning, the Mens' Basketball Team anticipated, and had, a most successful season. The regular season ended with a 20-5 overall, and a 9-3 conference record.

The defending Carolinas Conference champions entered this year's tournament seeded second, riding an 11 game winning streak. This is the longest streak in 10 years.

During the season, the Panthers suffered many internal problems — 5 players quit and Dennis West was suspended early in the season. West returned in mid January after solving both personal and academic problems. At this time, the "streak" began, with Honorable Mention All American Charlie Floyd averaging over 25 points and 12 rebounds per game. Danny Anderson and Bob Hovey also contributed heavily during this period.

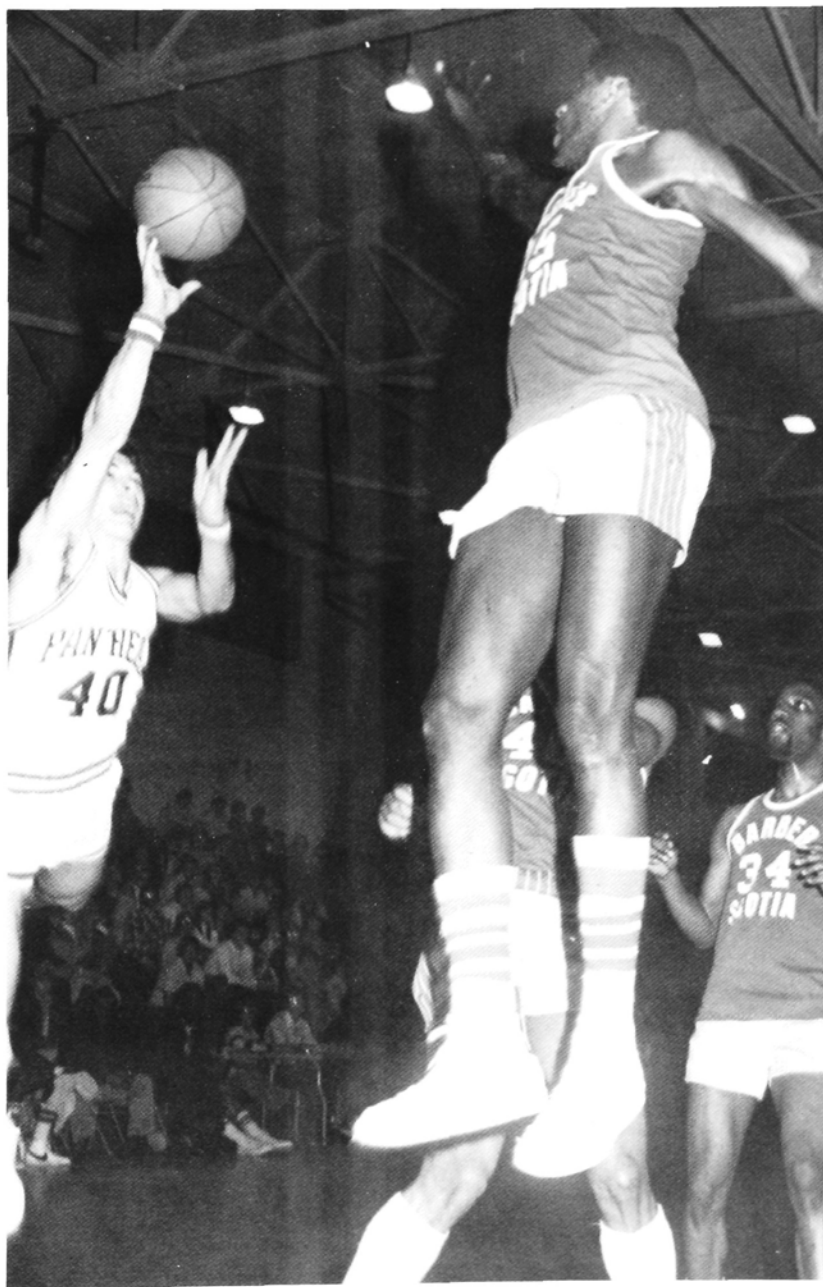

Among the more exciting wins of the regular season were victories over once #1 rated Gardner Webb, a Homecoming Victory over archrival Guilford, and a season ending 70-62 win over Pfeiffer.

Coach Jerry Steele was chosen District 26 Coach of the Year, while Anderson and Floyd were selected to the All NAIA District 26 Basketball Team.

The Panthers are, at this deadline, playing in the Carolinas Conference Tournament.

All-American Charlie Floyd tips in a basket in the conference tournament.

Danny Anderson scores against Barber-Scotia.

Field Hockey

A new playing system, coupled with 12 returning veterans, led the Panther Field Hockey Team to a third place in the Regional Tournament. The Panthers 7-6-2 during regular season play placed them second in the state.

The panthers were led throughout the season by Seniors Debra Weber, Linda Ensey, and Patti Wooten, Juniors Alyson Wilk, Sophomore Goalkeeper Stephanie Higgins, and Freshmen Jannell Welsh and Patty Fortus.

Coached by Kitty Steele, the Panthers played many strong teams including Duke, Carolina, Wake Forest, and arch-rival U.NC-G.

Debra Weber skillfully maneuvers the ball down the field.

Field Hockey Team Members Include: First row — Alyson Wilk, Vickie Williams, Patti Wooten, Sharon Kaler; Second row — Linda Ensey, Anne Ludwigson, Gail Wehner, Donna Wilson, Robin Slate, Carol Grady, Patty Fortus, Vicky Dobson; Third row — Coach Kitty Steele, Jannell Welsh, Deborah Weber, Kim Hall, Laura Billings, Shawn Davis.

Alice Wainwright and Jannell Welsh team up to gain possession of the ball and take it down the field.

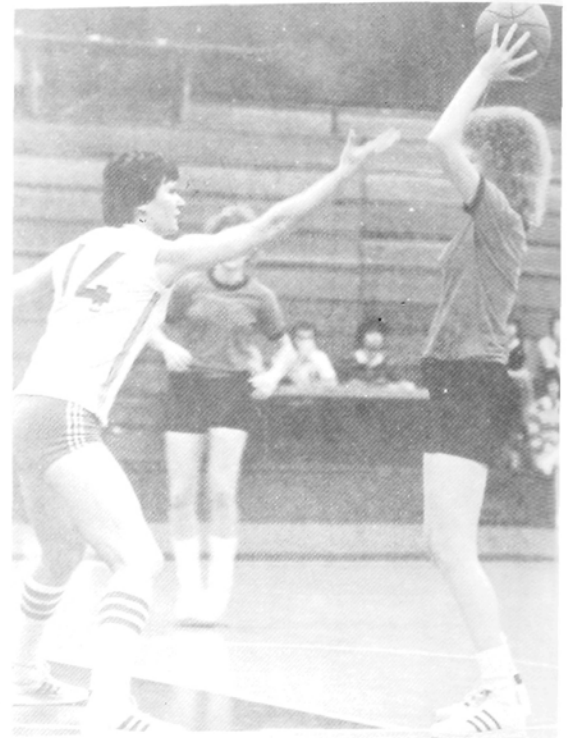

Womens' Basketball

The Lady Panthers ended their regular season with a perfect 6-0 league record and captured their fourth straight State Division II Championship. Additionally, Coach Wanda Briley was named "Female Coach of the Year" and Marie Riley selected as "Female Player of the year" in the conference.

The Panthers won 20 of their 22 regular season games but had to forfeit 4 due to ineligibility problems with Theresa Holt. Their regular season ended with an 18-6 record.

Last year's AIAW Division II national champions were paced by Senior Ethel White, Junior Marie Riley, and Sophomore Andreia Blanchard. Riley, M.V.P. in last year's national tournament had a 23.2 scoring average and 7.7 rebounds per game. White, a 2 time All-American averaged over 17 points per game, and Blanchard over 18 points per game. All three were named to the 'All-Conference Team.'

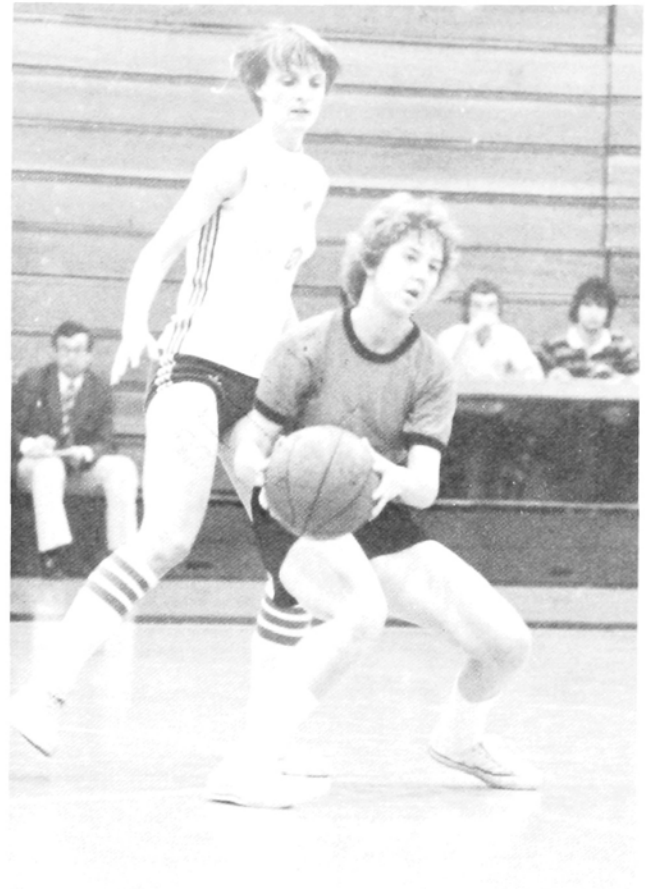

The Panthers have, as of this deadline, gained a berth in the District Division II championship to be played in Kentucky. The winners will then play in the National Tournament in Fargo, S.D. in early March.

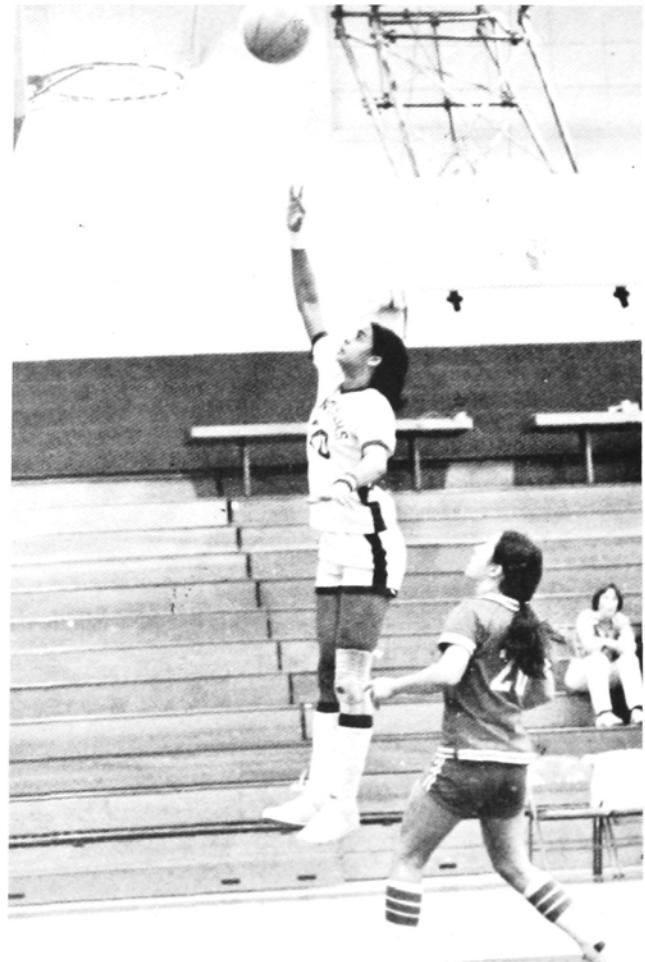

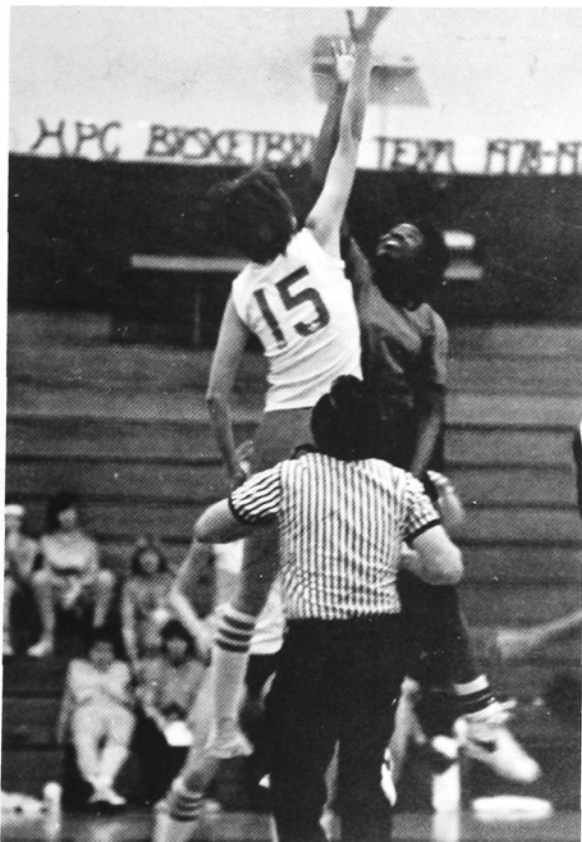

Womens' Basketball Team Members Include: Row one — Ethel White, Roxann Moody, Jody Westmoreland, Pam Henline, Deborah Jones, Elaine Crocker; Row two — Lena Scriven, Sylvia Chambers, Marie Riley, Bonny Lynch, Wendy Knight, Vickie McLean, Andreia Blanchard.

Andreia Blanchard goes for two more points for the Lady Panthers.

Roxann Moody skillfully handles the ball.

Volleyball

Having never lost a Carolinas Conference match, the High Point College Panthers are set to defend their three year rein as conference champions.

Two-time Player of the Year, Marie Riley, returns along with All-State performers Karen Christoffersen and Ethel White. The three formed the nucleus last year for the Panthers' 42-10 record and the eventual 10th place finish in the national tournament.

Ana Mari Gonzalez, Vickie McLean and Sylvia Chambers each played an important role in last season's championship march. They also return to give the necessary experience for such a long year.

The top freshman is Bonny Lynch. The 5-10 southpaw is an awesome hitter and will add power to the Panther attack.

Other freshmen include Deborah Jones, Lena Scriven, Carole Matthews, and Martha Latchford.

Coach Wanda Briley, in her second year at High Point, said "We don't have as much depth and experience this year as last. This might hurt us in tournament play where you have to play as many as four or five matches in one day. During the regular season we should be alright with our top six or seven players.

"Our schedule is very good in that we play every Division I and II school in North Carolina. We also play in the UNC-G Invitational, the James Madison Invitational and will host the Carolinas Conference tournament. If we qualify and are able to stay away from injuries, we'll have a good chance to return to the regional and national tournaments this year.

We'll have to go some to improve on last year's record but we have the players to do it."

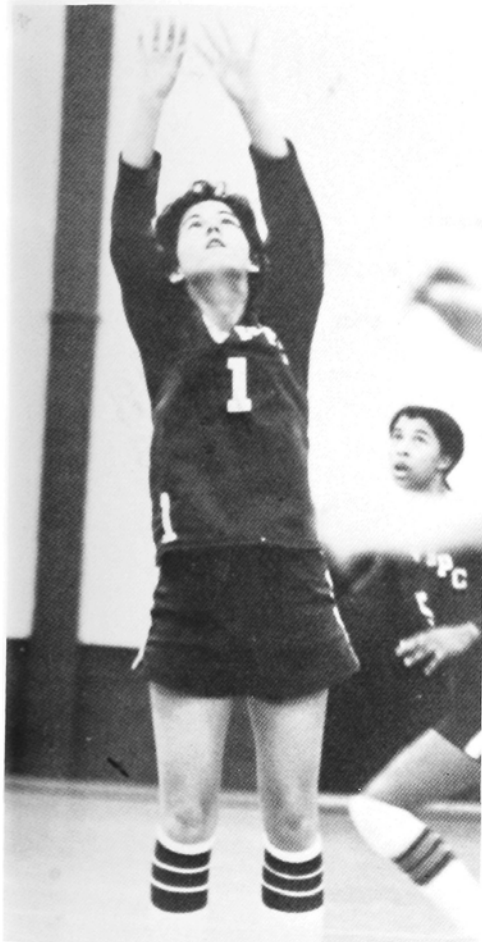

All-Stater Ethel White spikes the ball.

Volleyball Team Members Are: Row 1 — Ethel White, Carole Matthews, Martha Letchford, Ana Gonzalez, and Deborah Jones; Row 2 — Lena Scriven, Marie Riley, Sylvia Chambers, Karen Christoffersen, and Bonnie Lynch.

A jubilant team displays their individual and team plaques.

Ana sets it up.

We really did it!

Baseball

The 1978-79 school year seems to be somewhat of an exception for the coach who has won 30 plus games for nine straight years.

The defending conference and district champions will have a good overall outlook.

Coach Hartman said "This will be the best depth we have had in a few years. We have more good players to help us at different positions. We've had the best fall practice we have had in many years so that is an encouraging sign.

"Our pitching should be deep. Jay Schwamberger (honorable mention All-American) returns as a sophomore to lead us." Schwamberger pitched a no-hitter in his first college outing as a freshman.

"Two newcomers, Kelly Bailey and Terry Thompson, will help a lot on the pitching staff." Both are transfers.

All-District catcher Danny Wilbur returns for his senior year. Chip Baker and Randy Wilhoit will back up Wilbur.

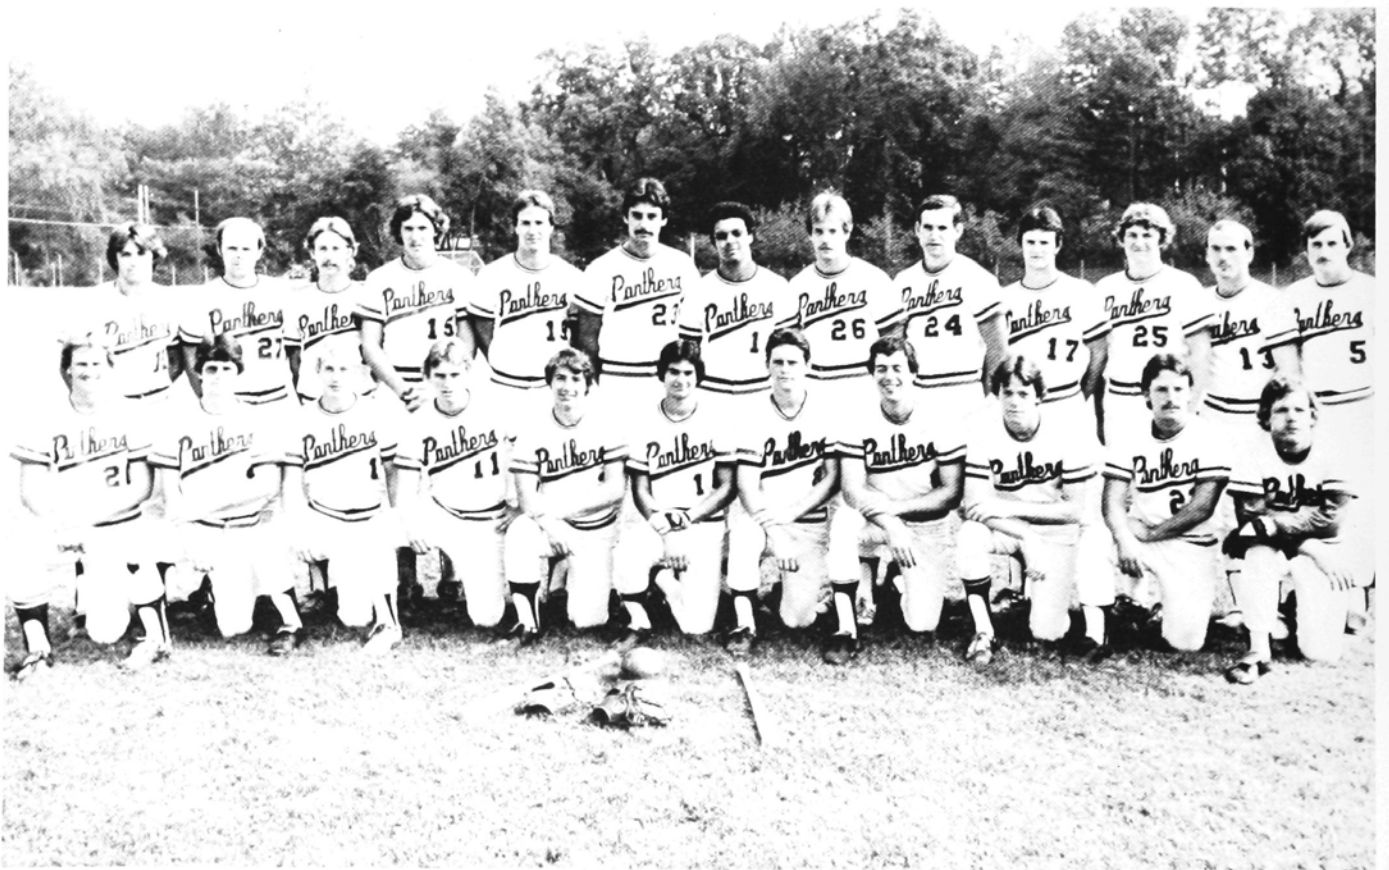

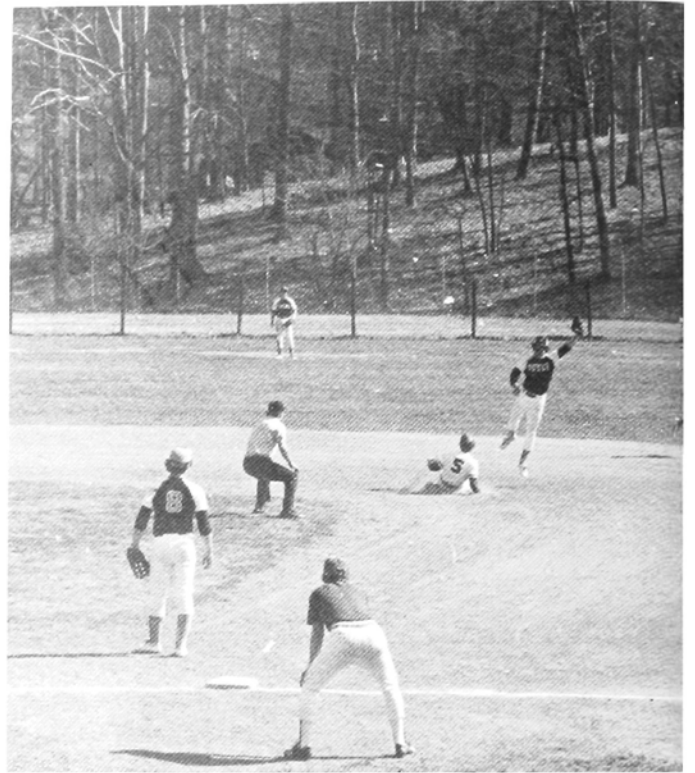

The infield lost four lettermen and will have to be rebuilt. Gone are Tony Waite (.348) and Jim Mugele (.400 — 14 HR — 46 RBI). Mugele was the conference Player of the Year and a first team All-American.

Three freshmen will help the infield. Mike Pisano, Ken Carter, and Benny Nye all have shown some talent and a lot of enthusiasm. Transfer Skip Dofflemeyer could see action at shortstop.

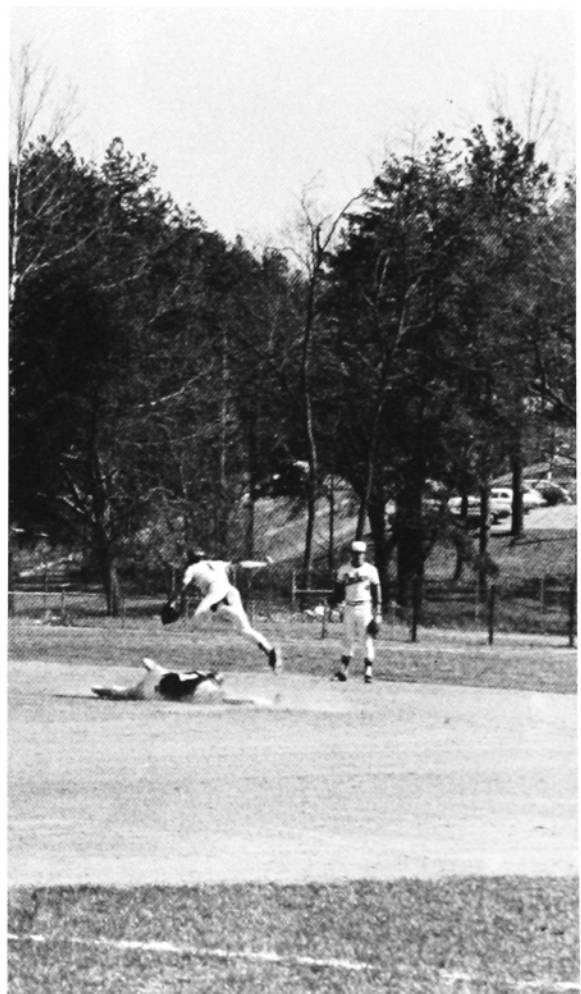

In the outfield All-Area performers Gerald Culler (.368) and Joe Garbarino (.346) return. Lettermen Rich Foy and Vinnie Espada along with transfer Fred Poole help to make the outer garden one of the strongest positions for the Panthers.

Hartman commented, "It may take us a while to get everyone together and see who should play where. We have some of the best skilled people ever here, but we'll have to coordinate those skills into a team."

"I'm real enthused after fall practice. We have a really tough schedule, especially early, but those games always help us later on. If we can win a couple, we may get off on one of those 10-12 game winning streaks."

Baseball Team Members Include: First row — Kelly Bailey, Ken Carter, Richard Foy, Benny Nye, Vinnie Espada, Mike Pisano, Kevin Albertson, Joe Garbarino, Jim Purcell, Chip Baker, Danny Wilbur; Second row — Don Groseclose, Randy Wilhoit, Skip Dofflemeyer, Jeff Kennedy, Jay Schwamberger, John Hallis, Jayson Crump, Fred Poole, Phil Cherry, Gerald Culler, Neil VanAsch, Terry Thompson, Tim Reid.

Mens' Tennis

For the first time in seven years High Point College is not the defending District 26 champion. The Panthers, who have finished 14th or better for six consecutive years in the national tournament, failed to qualify as a team last season. Atlantic Christian, the district champion, finished second in the nation overall.

Jeff Apperson and Willem deGroot did qualify as a doubles team and advanced through one round as a team and to the quarter-finals as singles players. Both of them return this year to lead the Panthers to what they hope is another trip to the national tournament.

Apperson, playing number one, will remain in that position. DeGroot, who was the number four singles champ in the conference tournament, hopes to advance up the ladder.

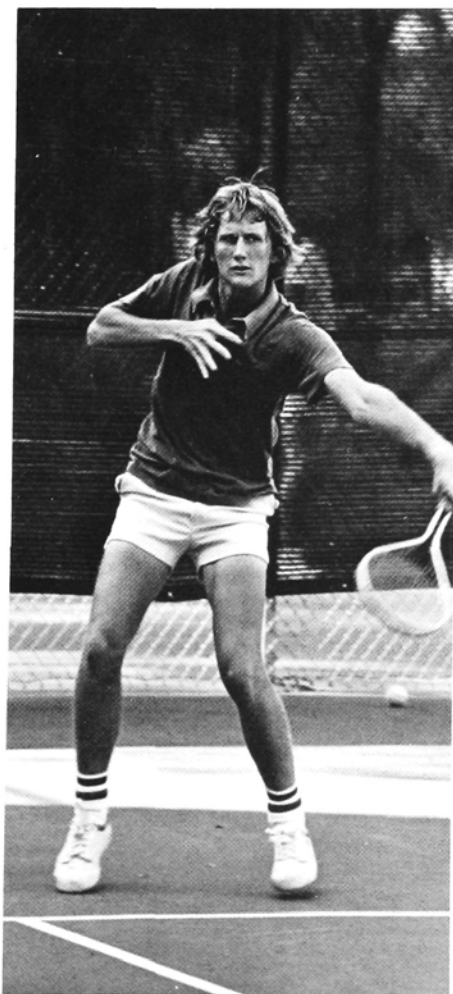

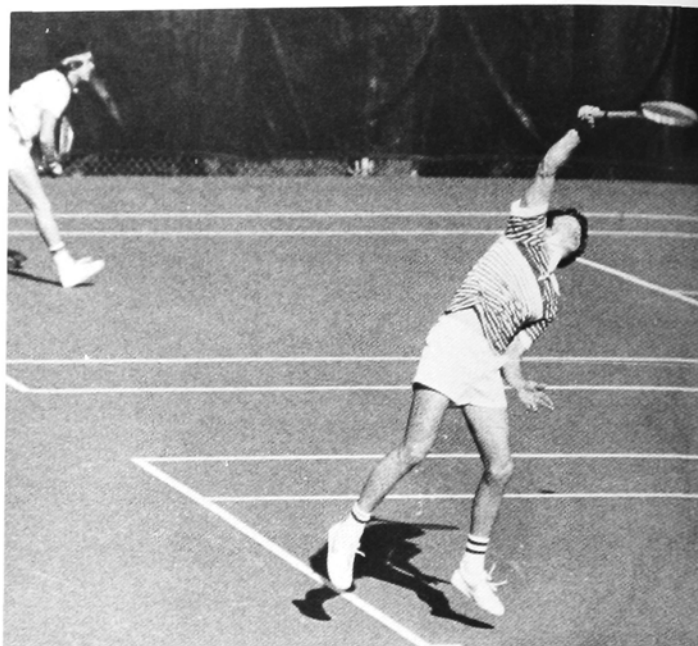

Two returning veterans have held down the numbers two and three positions. Junior Phil Parrish, the district champion as a freshman returns along with junior Chris Hohnhold. Hohnhold teamed with senior Jack DeAndrade to win the conference number three doubles flight.

Overall the Panthers will field an experienced team. Last year's 11-10 record tells of the extremely tough schedule the Panthers play outside the Carolinas Conference. High Point was 7-1 in conference matches, losing only to Atlantic Christian.

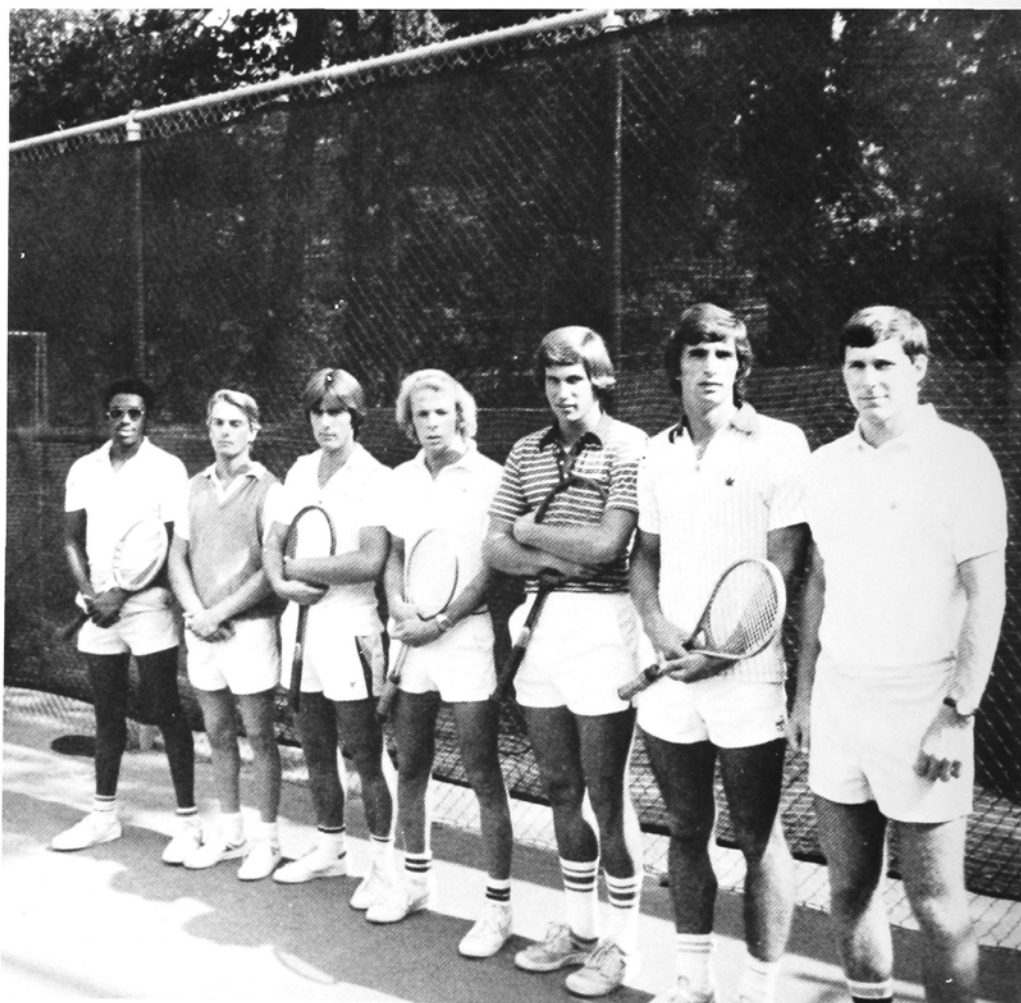

Second-year Coach Mike Glover said, "We will be very strong up and down the line-up because of our experience. Senior Tom Fitzmaurice and junior David Burgess will probably round out our top six players. They have all had at least two seasons of competitive tennis here and the experience will help."

"Overall our schedule will be just as tough as it has ever been. We play many NCAA schools, especially early in the year, and that helps us to get ready for the conference and district tournaments.

"We'll need to get some senior leadership from Fitzmaurice and Apperson. Also Willem deGroot has not played a full season in two years. I expect him to have an exceptionally good year if he is healthy."

Tom Fitzmaurice executes a beautiful band-hand stroke.

Mens' Tennis Team Members Include: Marcus Carter, Jack DeAndrade, Chris Rehart, David Burgess, Chris Hohnhold, Jeff Apperson, Coach Mike Glover. (Not pictured) Willem DeGroot, Tom Fitzmaurice, Lane Evans, Phil Parrish.)

Womens' Tennis

The Womens' Tennis Team is anticipating a very good season, since 4 of their top players from last year's 14-0 season returned.

In their attempt to defend their conference and state titles, the Panthers will be led by Sophomore Vicky Williams. Williams, the 1978 Conference Player of the Year will hold the number one position. Kathy Neblett returns at number two, but is being challenged by transfer Kinta Otterman. Marie Riley, Donna Pfister, and Jody Self hold positions three, four, and five. Neblett and Riley were both selected to All-Conference last year.

Coach Kitty Steele had been selected twice as Conference Coach of the Year and anticipated stronger competition than in the past.

Track and Field

In the midst of a rebuilding team, the High Point Track Team is looking forward to a winning season. Freshmen John Thcacz, Ralph Barnes, and Steve Smith will be contributing greatly to the team, while All-District performer Ron Byrne, Randy Larzelere, Perry Macheras, and Tracy Lyons also return. Coach Bob Davidson is also relying heavily on Bill McCown and Ricky Callicut.

Numerically, the squad is a little larger than last year's, and will add depth in some events. This will add the strength which will be necessary against the Davidson College, Wake Forest, and Lynchburg track teams.

Bill McCown is a top hurdler.

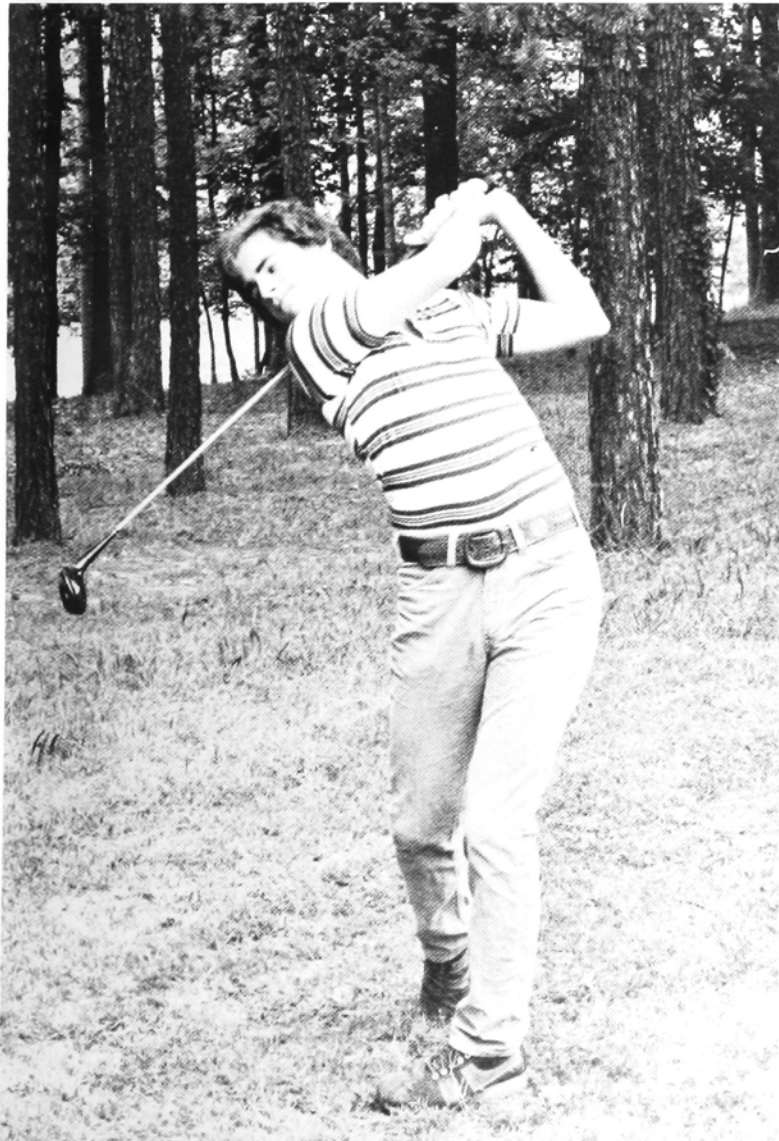

Track Team Members Include: Row one — Sallye Ledford, Ralph Barnes, Joe Fischer, Daberry Debnam, Norris Woody, Mike Colflesh; Row two — Tim Koshimizu, Keith Chance, Jeff Koehler, Ron Byrne, Tracey Lyons, Randy Larzelere, Coach Bob Davidson; Row three — Jorge Nobre, Bill McCown, Mike Griffin, Mark Hamlett, Rick Callicut.

Ron Byrne is an excellent javelin thrower.

Golf Team Members Include: Row one — Coach Woody Gibson, Ray Linder, French Bolen, Larry Corson, Tony Flippin; Row two — Glenn Fischer, Bob Aydelette, John Caldwell, Derrin Dunzweiler, Craig Baldwin, Mike Dombrowski.

All Conference performer French Bolen leads the Panther Golf Team by playing the number one position. Tony Flippin will be at number two, with Bob Aydelette at number three. Freshman Ray Linder and Sophomore Glen Fisher will also see much action.

Although the golf team had only four returning lettermen, Coach Woody Gibson feels the team has much potential and may possibly improve upon last year's second place in the Carolina's Conference.

Kappa Delta

The hall came alive as another unpredictable and exciting year for the KD's began. We were busy with rush, retreats, songfests, car washes, Pledge Dance, co-rec, Big-Little Sister Week, White Rose Week, Initiation and White Rose Formal. We also kept the campus alive for twenty-four hours as we held our second Rock-a-thon! We rocked, sang, rocked, ate, rocked, partied, rocked, blew fuses, rocked, played backgammon and cards, and rocked some more. It turned out to be a successful, awesome and memorable Rock-a-thon . . . right Row??? You're the only person we know that can rock from the inside. Feelus — we heard that 33 is the magic number. Oh, and Ellen "crash" — we ordered your muzzle and it will be in next week. In the meantime, could you practice your cheers after the pledge's meeting? Kathy and Michelle — who sleeps in the crack tonight??? Will the real Bonnie Carter please stand up . . . oh, you are??? Sandy — until the night, it will be alright, but if it gets too late . . . there's always your roommate!!! Scarlet moved her end window to Winston. Thanks Linda for the "Pfautzing" lessons. Wanda Woo Woo — are you sleeping with your Teddy bear tonight? Sheila — do you go to the barn just to hear the name??? Clair — you can bring your bed to sister's meeting . . . Our resident F.C. "uncle" Ellen has changed her major to Western Civilization. Hilda — Have you found "20 cent" yet? Gail — is it true that love is better the second time around? Debbie gets her share of the juicy mail . . . Linda T. — We bet you there's a chance that being a little sister has fringe benefits. Oh, the awesome life of a fisherman. Tell us L.L. — what's your bait??? For the third time, Sullie has "mastered" the AWE button on the calculator. Lynne — will February 31st be added to the calendar next year? And, have you had the urge for a "Cig" yet, Buffy? By the way, who's turn is it to clean the composite??? As we end another year, may the memories of Kappa Delta, our friendship and sisterhood in A.O.T., and the love we share remain in our hearts forever.

Theta Chi

1978-79 has proven to be a great year for the Epsilon Chapter of Theta Chi! It has been a hard working year for the Brothers with rush, car washes, and our charity this year, Muscular Dystrophy. Of course the boys have some great memories of Drags at the Downtowner and the Christmas party at Brother Doug Pitman's house. This spring looks very promising with the 3rd annual Bong Show, Dream Girl and of course the beach . . .

When looking back over the year we all remember, "In the Halls . . ." and some of those great words of wisdom

and famous questions! Cheskey (Logic) . . . "What's the difference between an orange?" Mikee (King of O-Zones) . . . "Does she?" Randy (Without) . . . "How are you doing?" Ray-Ray (Mr. T.B.R.) . . . "Did you sell the cattle?" Jimbo (Bong Show Worker) . . . "Where's my C-Doll?"

Then there were some famous situations! Boinker . . . Walk a mile for a date! Hooter (Loved by Everyone) . . . I'm a good driver! Uncle (Woman Beater) . . . Get out of my bed! Dog a . . . Did you talk at U.N.C.G. or did you? Stud (Pes.-King) . . . Mr. Destruction Company! Ko-Jerk . . . Snake in the cemetery. And, of course, Jay . . . How to lose in pool and poker in 1 easy lesson.

And a major question all the brothers have is, where do some of the boys go? Cubby (Cheskey logic) . . . shoe store blues? Mudd (Turtle) . . . Burning something in the barn! Captain (Troll hunter) . . . Anything he can! Easy Money (Cattle Pledge) . . . Extreme whip live in. And Dave . . . where are you? The members of the Theta Chi Fraternity would like to thank everyone this year for their help and support. Also, good luck to the graduating Brothers and special good luck in the future to J-Hall and Beth.

PHI MU

In 1852, Phi Mu was a dream, now it is a beautiful reality with many chapters reaching across the nation. 1978-1979 started off with a successful rush bringing us new Phis. Pledge dance, mixers, parties, service programs and Phi Mu Weekend are just a part of the fun happenings this year. Along with the fun . . . Annie does research for her seminar paper at T.B.R. . . . Lynn is our "eternal voice" . . . April, how's the goddess of head? . . . Betsy how are things at West Point? . . . When are you getting your private phone Sharlia? . . . Laura will let us know when the temperature drops . . . Debbie is our answer to Horshack . . . K.C. what's it like in the "final frontier"? . . . "Please remove your trash within 24 hours," Love, Weenie . . . Hey Buzz — I touched you last!!! . . . Sid, your roommate says thanks for her private room . . . LOST: Cindy — last seen at Dadios or the radio station . . . Julie, have you "gone away for the weekend" again? . . . Sherry remind us not to let you borrow our yardstick! . . . Stoneville — the flight to Greensboro leaves at 7:01 every Friday night . . . Anne, are you practicing to be an air head? . . . Ralph — get that "head music" off!! . . . Koleen — who are those long distance calls from . . . I mean to? . . . Cyndi goes from Togas to Lockcuts!! . . . Jean, have you gotten a room at the Student Center yet?? . . . Earth to Natalie come in please!! . . . Nancy, thought that you weren't attending HPC this semester?? . . . Kornhead's on her way to winning at Wimbledon . . . Sue, what would this world be like without charge cards?? . . . Jocelyn, is red really your natural color?? . . . Marguerite is our quiet one . . . Kathy is our sweet 'lil southern bell'?? . . . Jackie, it's imitation time! . . . Headly, how's the suite parties?? . . . Graduation brings the yeat to an end but the memories of fun, sad and happy times continue with us as does our bond of friendship in Phi Mu.

Zeta Tau Alpha — Individuals, But Zetas Forever

The 1978-1979 school year was another one filled with love and friendship for Zeta. As crazy as we all are, we managed to survive the year in one piece, out of jail, fairly sane, and relatively sober. President Donna Adams pulled us all through even when it looked like we would kill each other. Donna has now moved from Kimery Street to Virginia, and Winnie isn't hugging Pooh's anymore, she's hugging Tucker's instead. Pam's car's nickname is B.J., B is gonna be a locksmith (she and her hammer) and Wendy likes kissing Santa Claus. Ginger - do you still like hardware? Fish got "Burned", and when Terry played co-pilot, she ended up with the car in a snow bank. Tammy is the newest "mother" with about 25 "kids", and to Paul, Nancy is "wife and mother." While Millie learned to drive in snow, Elaine prayed that they'd make it to the top of the mountain alive. Majd spends more time on 2nd floor Millis than she does on 1st floor North. Ann, why did you have curlers in your hair when Ward came to call? Tina has a "motor" that won't quit, and when Karan gets a compliment she doesn't say "thank you", she says "shut-up". Marianne, what's a Gweggie? Marcy loves hoddie-toddies with the MXA's at football games. Jenny R. likes tinsel and Canadian mist, while Cindy likes "Bows". "Ilen, put that ring on before Keith gets here! Regina — do you and Scott *really* study in there? Jenny T. hasn't paid her dues yet. Tracy can't seem to make up her mind, and Ginny has advanced to sleeping 304. Jenny B. is "Bullish" on stones, and Jackie has her own "My Favorite Martin."

All in all, it's been a great year, wit it's ups and downs — but as it draws to a close, we're up on top again — friends and sisters forever.

The Sigs again enjoyed a good RUSH program and were proud of the new wearers of the green and white. The Sphinx had its problems this year but it remains in place as the symbol of the bond.

Frustrated Floyd Brain out on loan. When will we see that chain on Joan? What kind of commercial were you watching? Donald J — the mouth that roared, spent his time burning Bud's door. Brother Poore did spend a couple thousand on Rush, What do you expect from a Maryland lush. Coach Booth spread himself awfully thin from Georgia to Carolina to Penn. Brother Curry ever since birth, why do you insist on being anti-earth. Charlie you are such a practical joker, who else would think of customizing Cheryl Ladd's poster. Scott — money matters were not his forte, it showed in the budget every Monday. Cowboys Jim and Bud — wanted in Dallas for theft, came back to the Point with more than they left. Gruesome really came out of his shell, but as Chaplain your prayers may send us straight to hell. Old Brother Shy by Freddy you were kissed and once in the men's room we heard you missed Garbage Cans Beware. Joramski to find you we would scrounge, only to find you and Diane locked in the lounge. Brother James what a leader you were, but as for followers they never occurred. Brother Rick got into bird watching this year, especially Robin Red Breasts. Dave — Apus P. Blondus our own marathoner.

After another good year, the Brothers and Pledges will wrap it up in Myrtle Beach, S.C. with the annual Sailor's Ball before heading home for the Summer.

As we arrive
Clad in our armor
Ready to slay the bad
And ride with the good
Things may dent
Or even strip us
Of our strength.
But as time, rolls us along,
We will rise strong
To be hit again,
Till the day we make
The climb onto the horse
And ride away into the
sunset.
